GACarver, Jr.

Attached is one copy for each of you of  
[redacted] March 1971 report.  
I have a bound version sent to me by  
[redacted] from which, if necessary, we can  
run additional copies. I have only skimmed  
this document quickly but on first glance  
it is cogent, thorough and impressive.  
[redacted] is arranging for [redacted]  
and [redacted] to come to the Agency  
on Wednesday, after the Sullivan  
Committee meeting (tentative ETA  
approximately 1330). Once the appointments  
is firmed up, I will contact you both to  
see how we want to handle conversations  
with these [redacted]
